General Information

Time:

The Villa will be available for both luncheon and dinner events. Luncheon events are scheduled from 11:00 am to 4:00 pm. Dinner events are scheduled from 6:00 pm to 11:00 pm. Should you require additional time for the purpose of extensive setup needs, an additional fee may apply. Additional time may be contracted at \$700.00 per hour after contracted time. These arrangements must be arranged two weeks in advance of event.

Vendors:

The Villa will provide an approved vendors list that comes very highly recommended. If your party decides to use a vendor that is not listed, you must provide your consultant with one letter of references and copy of insurance. Vendors are all subject to approval. We regret that no other decorator or florists are allowed at The Villa. Please see a consultant for details.

Decorations:

All decorations incorporating candles must meet with the Westminster Fire Department codes. The Villa does not permit the use of fog machines, open flames, birdseeds, and confetti or party poppers. The Villa does not allow affixing of anything to the walls, doors, ceiling, and floors of any rooms or public areas.

Coordination Service:

The Villa will provide complimentary coordination service for your event. Our experienced coordinators will help you plan all the details of your reception to make sure the event ends in perfection.

Deposit/Payment Schedule:

A \$2,000.00 deposit in the form of cash, check or credit card (visa, mastercard) is required to confirm event bookings. Two additional payments of \$2,500.00 are due six months prior and three months prior to event date. An additional payment of 50% of the balance is due one-month prior to event date. The total estimate balance is due two weeks prior to the event date, along with the final guaranteed attendance. All deposits and payments are non-refundable and non-transferable. Personal checks are not accepted within two weeks of an event. The Villa requires a pre-authorized credit card to be on file for any miscellaneous charges.

Parking:

The Villa offers complimentary self-parking. Spaces are limited, so parking will be offered on a first come first serve basis. Hosted Valet Parking is available upon request at an additional charge. Events with a final guarantee over our capacity of 300 guests must order valet parking.

Alcoholic Beverage and Bar Fees:

Each bar requires a minimum beverage purchase of \$500.00, to waive the bartender fee of \$100.00 per bar. The Villa does offer bottled wine corkage at \$10.00 per 750 ml bottle.

Service Fees & Sales Tax:

A 19% Service Charge and 7.75% State Sales Tax will be added to all food, beverage, rentals and audio visual charges. The service charge is subject to an 7.75% State Sales Tax (*California State Board of Equalization Regulation No. 1603*).
